Dear Friends:

I can't believe you are giving us \$8,000! We would like to thank you for donating money to our Aktion Club. We appreciate everything you are doing for us. We also liked coming out to help you guys out with the golf and we enjoyed meeting you guys again. We liked helping give out the prizes.

Do you know this money is going to help us go to convention? We will do presentations and also get more ideas to help the children of the world. We also have lots of fun at convention and go fishing and go swimming. But we also learn how to do service projects and we save our soda pop tabs for the Ronald McDonald House.

Thank you so very much for giving us the rest of the money for us to go to the Aktion Club convention in Sangor, CA. We really appreciate it. As President of the Inland Empire Aktion Club I want to say you are a god-send and we appreciate all the work you do to help us go to convention. We're very, very happy and say thank you again for the \$8,000 you are giving us – that's a lot of money!

Sincerely,
Brenda M Abrams
